

# Orchard Valley PARENTPRESS

JANUARY 2017

## HAPPY NEW YEAR

*As we welcome 2017, we have an opportunity to start fresh; to set new goals; to dream bigger than ever before.*

*At Orchard Valley, we aspire to create an environment of possibility and discovery for every age group. We aim to foster that natural wonder each child holds by providing activities that allow individual growth, capture their passions and allow them to explore the world around them!*

*With the help of you, our supportive families, along with our excellent teachers we are able to create strong programs that impact the children in a positive way.*

*In the hustle and bustle of life, it is important to remember that we can affect change by continuing to give energy and respect to our children; we have a chance to shape our future.*

*May the New Year bring joy and fulfillment for you and yours.*

*Thank you for the vital role you play in the success of the OV-LC family!*

## Mo Joe Monday <sup>JANUARY 9<sup>TH</sup></sup> 7AM-10AM
