APRIL SHOWERS BRING
MAY FLOWERS

[Family Gardening Ideas](#)

It's that time of the year when the kiddos are itching to get outside more and the perfect opportunity for you to do some family gardening!

At the link above, you'll find several ideas of how to create a family-friendly garden – even if you only have a small space!

Congratulations to our Kindergartners for completing an amazing year of learning and growth!

These soon-to-be graduates will be celebrating their accomplishments on Friday, May 19th.

Thank you to Mrs. Watson for working hard to help these students get ready for 1st grade!

Dear Parents,
We are looking for some pants and underwear to store in the front office!
